

# Pricing 2016

Estelle N Smith

## \*\*\*Commissioned works and Home Renderings:

prices vary in size and shape of buildings  
\$2.50 per square inch  
Watercolors are an additional \$150.00  
50% non- refundable down payment required

## \*\*\*Charities:

My usual "retail" charge for a rendering is \$2.50/sq.in. (plus an optional matting fee). Hence, a standard 12x18" work would be priced at \$540.00. I offer a 15% reduction for charities I support, hence reducing my required price for a 12x18 work to \$460.00 (plus an optional matting fee). Bidders should know that larger pieces would be priced in the same way (\$2.12 per sq.in. "charity" versus \$2.50 in "retail").
